Dear Colleagues,

As the adjunct representative to the Executive Board, I intend to work diligently on your behalf. I can only do that if I know what your needs are and what I can do to make working here a positive experience for all of us. At present, there is no central data base of adjuncts; there is no way for me to contact you. I would like to change that. Therefore, I am asking you to provide me with your e-mail address as well as your home address and phone number. This will enable me to keep you posted about union events. I also encourage you to share your ideas with me. Our ability to communicate with each other is essential as we enter this contract negotiation year. Please e-mail me your information or return the form at the bottom of this page to me (CLA Bldg).

October is Adjunct Faculty Month. I hope you will be able to attend some of the events we have scheduled. The list of dates and times can be found at the union website www.wccft.org Membership forms can also be found at this site.

WCCFT is here to help you whether you are a member of the union or not. However, there is strength in numbers and I hope that if you are not already a member, you will consider joining. Our meetings are held on the first Wednesday of every month from 11-1:00 in Science 102. Lunch is provided; friendship is too!

Sincerely,

Diane Urban, PhD
Adjunct Representative
